INDIAN Spices CATALOGUE

ABOUT US

Krishnavil Global LLP is a trusted Indian exporter of premium-quality spices and agro products, proudly delivering the authentic taste and aroma of India to kitchens and businesses across the world. With a strong focus on purity, consistency, and reliability, we have built enduring relationships with importers, wholesalers, and food manufacturers in multiple global markets.

We specialize in sourcing, processing, and exporting a wide range of products including Cumin Seeds, Coriander Seeds, Black Pepper, Cardamom, Turmeric Powder, Turmeric Fingers, White Onion Flakes, White Onion Chopped, and several other natural agricultural products. Each product is carefully selected from reputed farms and processed under strict quality control to ensure superior flavor, freshness, and hygiene standards.

At Krishnavil Global LLP, quality is not just a promise it's our foundation. We adhere to international food safety standards, maintain proper packaging and traceability systems, and partner only with certified processors and logistics providers to ensure on-time delivery and product integrity.

Our mission is to bridge India's rich agricultural heritage with global demand, offering products that reflect authenticity, sustainability, and excellence. Whether it's bulk shipments for industrial use or customized packaging for retail brands, we ensure each consignment carries our hallmark of trust.

Driven by professionalism, ethical trade practices, and a customer-centric approach, Krishnavil Global LLP continues to expand its global footprint, bringing the world closer to the essence of India pure, flavorful, and full of life.

We offer premium-grade Singapore quality cumin seeds with 99% purity and 99% Sortex cleaning, ensuring minimal tail content and compliance with international export standards. Our cumin seeds are known for their rich aroma and optimal oil content, tailored to meet customer requirements in both packing and quality.

We supply whole cumin seeds, broken seeds, granules, and powder as per client specifications. Both conventional and organic varieties are available, certified for USA and EU standards.

We also provide customized packing and sterilization processes, including ETO, Gamma, and Steam sterilization. In addition, we offer custom labeling and OEM packing for ready-to-resell products. For any inquiries regarding cumin seeds, granules, or powder, we are committed to delivering the best quality and service.

WHITE ONION MINGED

While Dehydrated Onion Granules 0.5-1 mm may not steal the spotlight, they deliver a robust flavor impact. Crafted from fresh onions, these tiny granules are carefully dehydrated to lock in their taste and texture. Whether you're elevating soups, stews, or sauces, they infuse dishes with an intense onion flavor, minus the extra moisture fresh onions introduce. With their extended shelf life and convenience, Dehydrated Onion Granules are a cherished pantry essential for avid cooks. Specifically, Dehydrated White Onion Granules offer a milder, sweeter profile, perfect for dishes requiring a subtle yet rich onion essence. Don't overlook the potential of these unassuming granules - they might just become your kitchen's secret weapon, enhancing your culinary creations effortlessly!
